WITNESSETH:

WHEREAS, Developer is the owner of that certain real property located in the City of Centennial ("**City**"), County of Arapahoe ("**County**"), State of Colorado, as the same is more particularly described on Exhibit A, attached hereto and incorporated herein by this reference (the "**Property**"); and

WHEREAS, pursuant to C.R.S. § 32-1-1004(8), and other provisions of Title 32 of C.R.S., it is the intention of the Developer to empower the Metropolitan District (as hereinafter defined) to provide certain services to the residents of the Metropolitan District (collectively, the "**Services**," as hereinafter more fully defined), which may include covenant enforcement, design review, and trash collection.

NOW, THEREFORE, Developer hereby declares that the Property shall be held, sold, and conveyed, subject to the following covenants, conditions, restrictions, easements, architectural guidelines, reservations, rights-of-way, obligations, liabilities, and other provisions, as set forth herein.

GENERAL

A. Planned Community. Developer is the owner of Lots located in the County as more particularly described on Exhibit A attached hereto and by this reference incorporated herein, which Lots collectively constitute and are defined in these Covenants as the "Property". Developer intends to develop the Property as a planned community of single family residential homes and

related uses. The name of the community to be developed on the Property is "Marvella". All of the Property is located within the Marvella Metropolitan District, a quasi-municipal corporation and political subdivision of the State of Colorado (the "**Marvella Metro District**").

B. Purposes of Covenants. These Covenants are executed (a) to further a common and general plan for the development of the Community Area, as hereinafter defined; (b) to protect and enhance the quality, value, aesthetics, desirability and attractiveness of the Community Area; (c) to provide for and define certain duties, powers and rights of the Architectural Review Committee, as defined herein; (d) to define certain duties, powers and rights of the Metropolitan District under these Covenants; and (e) to define certain duties, powers and rights of Owners of Lots within the Community Area.

C. Declarations. Developer, for itself and its successors and assigns, hereby declares that the Community Area, and all property that becomes subject to these Covenants in the manner hereinafter provided from the date the same becomes subject to these Covenants, shall be owned, held, transferred, conveyed, sold, leased, rented, hypothecated, encumbered, used, occupied, maintained, altered and improved subject to the covenants, conditions, restrictions, limitations, reservations, exceptions, equitable servitudes and other provisions set forth in these Covenants. The provisions of these Covenants run with the land and, until their expiration in accordance with the terms hereof, shall bind, be a charge upon and inure to the mutual benefit of: (a) the Community Area and all property that becomes part of the Community Area; (b) Developer and its successors and assigns; (c) the Metropolitan District and its successors and assigns; and (d) all Persons having or acquiring any right, title or interest in any portion of the Property or in any property that becomes part of the Community Area, or any Improvement (as defined below) thereon, and their heirs, personal representatives, successors or assigns. These Covenants will be recorded in the official records of the County.

In addition to the authority to provide the Services (as defined in Section 1.12), the Metropolitan District has such other authority with respect to the provision of the Services, as may be permitted by the Special District Act, C.R.S. 32-1-101 *et seq.*, including but not limited to the right to adopt rules and regulations, fees, rates, tolls, penalties and charges, and undertake enforcement actions.

ARTICLE 2.

ARCHITECTURAL REVIEW

Section 2.1. *Composition of ARC.*

The ARC shall consist of three (3) or more natural Persons. The Developer has the authority to appoint all of the members of the ARC, and/or to delegate some or all architectural authority (as provided in Section 2.2 hereof), from the date of recording of these Covenants until the date of conveyance of all the Units to the first Owners thereof other than: (i) the Developer; or (ii) any Builder (the “**Developer Control Period**”). After expiration of the Developer Control Period, the governing board of the Metropolitan District has the authority to serve as or appoint members to the ARC , and/or to delegate some or all architectural authority (as provided in Section 2.2 hereof). The appointments of all then-current members of the ARC who were appointed by the Developer will automatically terminate on the date which is thirty (30) days after expiration of the Developer Control Period.

Section 2.2. *Delegation of Some or All Architectural Authority.*

The Person with the authority to appoint the ARC, as provided in the preceding Section 2.1, has the right and authority to: (i) delegate, in writing, some or all architectural authority, to one or more other Persons, including one or more metropolitan or other district(s), such as by entering into intergovernmental agreement(s) or other document(s) or agreement(s); and (ii) withdraw, in writing, any delegated authority.

Section 2.3. *Architectural Review Requirements; Authority of the ARC.*

2.3.1. No Improvements may be constructed, erected, placed, altered, planted, applied, installed or modified, upon any Unit (including, without limitation, any residential buildings), unless said Improvements are in full compliance with all provisions of the Governing Documents, and unless such Improvements are approved in writing by the ARC. Prior to commencing the construction, erection, placement, alteration, planting, application, installation or modification of any Improvement on a Unit, the Owner of the Unit shall deliver, or shall cause to be delivered, to the ARC for review and consideration (A) an application for approval of any Improvements, including a summary description of the Improvements, and (B) at least one (1) detailed set of complete plans and specifications of any such proposed Improvements (said plans and specifications to show exterior design, height, materials, color, and location of the Improvements, plotted horizontally and vertically, and specifically, the location and size of any driveways, the location, size, and type of any buildings, landscaping, fencing, walls, windbreaks and applicable grading plans, as well as such other materials and information as may be required by the ARC) (collectively, the “Review Package”). The ARC may impose reasonable fees to cover any costs and expenses incurred in conducting the review of the Review Package (the “Review Fees”), and may require payment of the Review Fees as a condition precedent to commencement of the review of the Review Package.

2.3.2. When reviewing each Review Package, the ARC shall endeavor to exercise its judgment in an attempt to provide for each proposed Improvement to generally harmonize with the existing surroundings, residences, landscaping and structures.

However, as more specifically provided in Section 2.14, the ARC shall not review or determine, or have any obligation to review or determine, whether any proposed Improvement complies with any or all applicable governmental requirements. Rather, as provided in Section 2.3.3 below, the applicant is required to submit proposed Improvements directly to the applicable governmental entities for a determination of compliance with governmental requirements and is solely responsible for compliance with all such governmental requirements

2.3.3. In addition to the foregoing review and approval by the ARC of any proposed Improvements, and notwithstanding anything to the contrary in these Covenants, the construction, erection, addition, deletion, change or installation of any Improvements also requires the applicant to obtain the approval of all governmental entities with jurisdiction thereover, and requires the issuance of all required permits, licenses and approvals by all such entities. Without limiting the generality of the preceding sentence, issuance of building permit(s) by the governmental entity with jurisdiction thereover, if required, is a precondition to commencement of any construction of, alteration of, addition to or change in, any Improvement.

2.3.4. In addition to the authority that is given to the ARC in these Covenants, as well as such authority as may be implied from any provision(s) of these Covenants, the ARC has all authority and powers that are given by Colorado statute and case law, to a corporation, a limited liability company, or any other business entity. The foregoing shall include the power to receive and review complaints from one or more Owners, Developer, one or more Builders, or any other Person(s), alleging that a violation of any of the Governing Documents has occurred or is occurring.

2.3.5. The ARC may, at any time, appoint a representative or committee to act on its behalf under this Article 2. During the Developer Control Period, the Developer may contract with the Metropolitan District in order for the Metropolitan District to provide the Services. If so, then the actions of such representative or committee, or the Metropolitan District, as applicable, shall be the actions of the ARC. However, if such a representative or committee is appointed, then the ARC will have full power over such representative or committee, including the power to at any time withdraw from such representative or committee, any authority to act on behalf of the ARC, and the power to at any time remove or replace such representative or committee.

Section 2.4. Guidelines.

The ARC, with the prior, written approval of the Person who then has the authority to appoint the ARC, as provided in Section 2.1 of these Covenants, may promulgate, adopt, enact, modify, amend, repeal, and re-enact, architectural standards, rules, regulations and/or guidelines, regarding architectural and design matters and matters incidental thereto (collectively the "**Guidelines**"), but the Guidelines may not be in conflict with these Covenants. The Guidelines may include: clarifying the designs and materials that may be considered in architectural approval; requirements for submissions, procedural requirements, specification of acceptable Improvement(s) that may be installed without prior review or approval; and permitting the ARC, with respect to any

violation(s) or alleged violation(s) of any of the Governing Documents, to send demand letters and notices, levy and collect fines and interest, and negotiate, settle and take any other actions, provided, however, that if the Metropolitan District has adopted Rules and Regulations, then with respect to any provisions therein addressing violations of the provisions of Article 2 of these Covenants, the rights of the Metropolitan District with respect to those violations shall control. In addition, the Guidelines may provide for blanket approvals, interpretations, or restrictions. By way of example, and not by way of limitation, the Guidelines may state that a certain type of screen door will be acceptable and will not require approval, or may state that only one or more types of fences are acceptable and no other types will be approved. All Improvements proposed to be constructed, erected, placed, altered, planted, applied, installed or modified, upon any Unit by any Owner must be done and used in accordance with the Guidelines and these Covenants. The Guidelines (as amended from time to time in accordance with their terms) may not be recorded against the Property but are hereby incorporated into these Covenants as if fully set forth herein.

Section 2.5. *Procedures.*

The ARC shall review and approve in writing (which may be with conditions and/or requirements), or disapprove, each request for architectural approval within forty-five (45) days after the complete submission to the ARC along with receipt acknowledgement by the ARC of the plans, specifications and other materials and information, which the ARC may require in conjunction therewith in accordance with the design review procedures set forth in the Design Guidelines or the Rules and Regulations. If the ARC fails to review and approve in writing (which may be with conditions and/or requirements), or disapprove, a request for architectural approval within forty-five (45) days after the complete submission of the plans, specifications, materials and other information with respect thereto, such request is deemed approved by the ARC.

Section 2.6. *Vote.*

The affirmative, majority vote of the ARC is required for approval (which may be with conditions and/or requirements) of each Review Package or other matter, unless the ARC has appointed a representative or committee to act for it, in which case the decision of such representative or committee will control.

Section 2.7. *Prosecution of Work After Approval.*

After the ARC approves (which may be with conditions and/or requirements) any proposed Improvement, the proposed Improvement must be completed and constructed as promptly and diligently as possible, and in complete conformity with all conditions and requirements of the approval. Failure to complete the proposed Improvement within one (1) year after the date of approval of the application (“**Completion Deadline**”), or to complete the Improvement in complete conformance with the conditions and requirements of the approval, constitutes noncompliance; provided, however, that the ARC may grant extensions of time to individual Owners for completion of any proposed Improvements, either (a) at the time of initial approval of such Improvements, or (b) upon the request of any Owner, provided such request is delivered to the ARC in writing and the

Owner is diligently prosecuting completion of the subject Improvements or other good cause exists at the time such request is made.

Section 2.8. *Notice of Completion.*

Upon the completion of an Improvement, the applicant who submitted a Review Package seeking approval of the same shall give a written "**Notice of Completion**" to the ARC. Until the date of receipt of such Notice of Completion, the ARC shall not be deemed to have notice of completion of any Improvement on which approval (which may be with conditions and/or requirements) has been sought and granted as provided in this Article.

Section 2.9. *Inspection of Work.*

The ARC, or its duly authorized representative, has the right to inspect any Improvement at any time, including prior to or after completion, in order to determine whether or not the proposed Improvement is being completed or has been completed in compliance with the approval granted pursuant to this Article. However, such right of inspection terminates ninety (90) days after the ARC has received a Notice of Completion from the applicant who submitted the applicable Review Package, provided, however, that during the sixty 60-day period after the ARC has received such Notice of Completion the ARC has not delivered to such applicant a notice of non-compliance as provided in Section 2.10 below. The 90-day period to perform inspections after the ARC has received a Notice of Completion does not apply to or limit the right or authority of the ARC or the Metropolitan District, as applicable, to enforce these Covenants as provided in these Covenants, including, but not limited to, requirements pertaining to the maintenance of Improvements.

Section 2.10. *Notice of Non-compliance.*

If, as a result of inspections or otherwise, the ARC determines that any Improvement has been done without obtaining all required approvals (which may be with conditions and/or requirements), or was not done in substantial compliance with the approval that was granted, or has not been completed by the Completion Deadline (except landscaping, as provided below), subject to any extensions of time granted pursuant to Section 2.7 hereof, then the ARC shall notify the applicant in writing of the non-compliance. Such notice of non-compliance must be given not later than sixty (60) days after (as applicable), (a) the ARC receives a Notice of Completion from the applicant, or (b) the ARC discovers any such noncompliance. The notice of non-compliance must specify the particulars of the non-compliance.

Section 2.11. *Correction of Non-compliance.*

If the ARC determines that a non-compliance exists, the Person responsible for such non-compliance shall remedy or remove the same within not more than forty-five (45) days from the date of receipt of the notice of non-compliance. If such Person does not comply with the ruling within such period, the ARC may, at its option, record a notice of non-compliance against the Unit on which the non-compliance exists, may impose fines, penalties and interest, may remove the non-complying Improvement, or may otherwise remedy the non-compliance, and the Person responsible

for such non-compliance shall reimburse the ARC, upon demand, for all costs and expenses, as well as anticipated costs and expenses, with respect thereto.

Section 2.12. *Cooperation.*

The ARC has the right and authority to enter into agreements and otherwise cooperate with any architectural review or similar committees, any metropolitan or other districts, or one or more boards or committees that exercise architectural or design review functions, or any other Person, in order to increase consistency or coordination, reduce costs, or as may otherwise be deemed appropriate or beneficial by the ARC. The costs and expenses for all such matters, if any, shall be shared or apportioned between such Persons and the ARC, as the ARC may determine. The foregoing includes collection, payment, and disbursement of fees, charges, and/or any other amounts.

Section 2.13. *Access Easement.*

The Developer hereby reserves, and each Owner hereby grants, to the ARC, the Metropolitan District, and other Person who then has the authority to appoint the ARC, as provided in Section 2.1 of these Covenants, for use by such parties and their agents, employees and contractors, a perpetual, non-exclusive easement on, over, under and across the Units and each of them, excluding the interior of any residence constructed thereon, for the purpose of such parties performing any of the actions contemplated in the Governing Documents, including, without limitation, all inspections pursuant to the first sentence of Section 2.9 of these Covenants and the enforcement of each of the terms and provisions of the Governing Documents. Further, the rights and easements granted in this Section may be exercised only during reasonable hours after reasonable notice to the Owner(s) or occupant(s) of any affected Unit; except that no such notice is required in connection with any exterior, non-intrusive inspections and maintenance; and except that, in emergency situations, entry upon a Unit may be made at any time, provided that the Owner(s) or occupant(s) of each affected Unit is given notice of the emergency entry as early as is reasonably possible. As provided above, the interior of any residence constructed on a Unit is not subject to the easements provided for in this Section.

Section 2.14. *No Liability.*

The ARC, the Metropolitan District, the Person who then has the authority to appoint the ARC, as well as any representative or committee appointed by the ARC, will not be liable at law or in equity for damages, of any kind or nature, to any Person by reason of any action, failure to act, approval (which may be with conditions and/or requirements), disapproval, or failure to approve (which may be with conditions and/or requirements) or disapprove, in regard to any Review Package or any other matter. In reviewing or approving any Review Package or any other matter, the ARC is not responsible for the safety, whether structural or otherwise, of the Improvements submitted for review, nor the conformance thereof with applicable building codes or other governmental laws or regulations, nor the compliance thereof with any other standards or regulations, and any approval (which may be with conditions and/or requirements) of a Review Package or Improvement by the ARC does not constitute an approval of any such matters and does

not constitute a warranty by the ARC to any applicant of the adequacy of design, workmanship or quality of such work or materials for any applicant's intended use. No Owner or other Person will be a third party beneficiary of any obligation imposed upon, rights accorded to, action taken by, or approval granted by, the ARC.

Section 2.15. *Variance.*

The ARC may grant reasonable variances or adjustments from any conditions and restrictions imposed by Article 2 of these Covenants, or by the Guidelines, in order to overcome practical difficulties or prevent unnecessary hardships arising by reason of the application of any such conditions and restrictions. Such variances or adjustments may be granted only in case the granting thereof is not materially detrimental or injurious to the other property or Improvements in the neighborhood, and does not militate against the general intent and purpose hereof. However, any variance that may be granted under this Section is only a variance from the requirements of the applicable Governing Document for the individual applicant or Unit, and is not a variance from the requirements of any applicable governmental or quasi-governmental agency or entity. No granting of a variance or adjustment to any one applicant/Owner constitutes a variance or adjustment, or the right to a variance or adjustment, to any or all other applicants, Owners or Units.

Section 2.16. *Waivers; No Precedent.*

The approval or consent of the ARC, or any representative or committee thereof, to any application for approval does not constitute a waiver of any right to withhold or deny approval or consent by such Person, or any Person, as to any application or other matters whatsoever, as to which approval or consent may subsequently or additionally be required. Nor does any such approval or consent constitute a precedent as to any other matter.

Section 2.17. *Developer and Builder Exemption.*

2.17.1. The Developer is exempt from this Article and all provisions of the Governing Documents that require ARC review or approval, except for the requirement to obtain approval from all governmental entities with jurisdiction thereover (as provided in Section 2.3.3 of these Covenants).

2.17.2. As long as, and to the extent that, a Builder has received written architectural approval from the Developer, such Builder is, as to Developer-approved Improvements, exempt from this Article and all provisions of the Governing Documents that require ARC review or approval, except for the requirement to obtain approval from all governmental entities with jurisdiction thereover (as provided in Section 2.3.3 of these Covenants).

ARTICLE 3.

RESTRICTIONS

Section 3.1. *General.*

The Property is subject to all covenants, conditions, restrictions, requirements, easements, licenses, and other provisions of all documents recorded in the office of the Clerk and Recorder of

the County, as amended, including those stated on the recorded plats of the Property, or any portion thereof, but only as and to the extent provided in such documents. In addition, the Developer declares that, subject to Section 5.4 hereof, all of the Units shall be held and shall henceforth be sold, conveyed, used, improved, occupied, owned, resided upon and hypothecated, subject to the following provisions, conditions, limitations, restrictions, agreements and covenants, as well as those contained elsewhere in these Covenants.

Timeshare estates may not be created and are not permitted within the Community Area.

The work of

constructing, altering or remodeling any structure or other Improvements must be prosecuted diligently from the commencement thereof until the completion thereof. Further, no unsightly conditions, structures, facilities, equipment or objects, may be so located on any Unit as to be visible from a street or from any other Unit.

Section 3.6. *Miscellaneous Improvements.*

3.6.1. No advertising or signs of any character may be erected, placed, permitted, or maintained on any Unit except for (i) a name plate of the occupant and a street number, (ii) a "**For Sale**," "**Open House**," or a "**For Rent**," sign of not more than five (5) square feet in the aggregate, (iii) security signs, (iv) political signs, and (v) signs advertising garage sales, block parties, or similar community events, provided, however, that all such signs are in accordance with the Guidelines or have been submitted to the ARC for review and written approval (which may be with conditions and/or requirements), prior to posting of such signs. Notwithstanding the foregoing, any signs, billboards or other advertising may be used by the Developer or by any Builder (with the prior, written approval of the Developer), without regard to the foregoing or any limitations, requirements, specifications or other provisions of the Governing Documents, the ARC, or the Metropolitan District, and without any approval (except as stated earlier in this sentence).

Further, no such apparatus is permitted elsewhere on a Unit, other than on the ground, except when appropriately screened and approved in writing by the ARC.

3.6.4. No exterior radio antenna, television antenna, or other antenna, satellite dish, or audio or visual reception device of any type may be placed, erected or maintained on any Unit, except inside a residence or otherwise concealed from view; provided, however, that any such devices may be erected or installed by the Developer or by any Builder during its sales or construction upon the Units; and provided further, however, that the requirements of this subsection do not apply to those "**antenna**" (including certain satellite dishes) which are specifically covered by the Telecommunications Act of 1996 and/or applicable regulations, as amended. As to "**antenna**" (including certain satellite dishes) which are specifically covered by the Telecommunications Act of 1996 and/or applicable regulations, as amended, the ARC is empowered to adopt Rules and Regulations governing the types of "**antenna**" (including certain satellite dishes) that are permissible hereunder and, to the extent permitted by the Telecommunications Act of 1996 and/or applicable regulations, as amended, establish reasonable, non-discriminatory restrictions relating to appearance, safety, location, maintenance, and other matters.

3.6.5. No fences, other than fences constructed or installed by the Developer or a Builder (with the prior, written approval of the Developer), are permitted, except with the prior, written approval (which may be with conditions and/or requirements) of the ARC, provided, however, that interior fencing for dog runs are permitted with prior written notice to the ARC, provided no such fencing for dog runs shall be visible from any public areas. Any fence(s) constructed on a Unit shall be maintained, repaired and replaced by the Owners of that Unit.

3.6.6. Any exterior lighting installed or maintained on the Units shall either be indirect or of such controlled focus and intensity so as not to disturb the residents of adjacent or nearby property.

3.6.7. The ARC may not effectively prohibit renewable energy generation devices or the installation or use of any energy efficient measures, provided that the ARC may adopt reasonable aesthetic rules and regulations concerning dimensions, placement or external appearance of such devices or measures to the extent such rules and regulations do not conflict with or violate applicable laws.

Section 3.7. *Vehicular Parking, Storage and Repairs.*

3.7.1. Commercial vehicles, vehicles with commercial writing on their exteriors, vehicles primarily used or designed for commercial purposes, tractors, mobile homes, recreational vehicles (including, without limitation, motor homes), trailers (either with or without wheels), campers, camper trailers, boats and other watercraft, golf carts and boat trailers, may only be parked in enclosed garages or specific areas, if any, which may be designated by ARC. This restriction, however, does not restrict trucks or commercial vehicles which are necessary for construction or for the maintenance of any portion of the Property, or any Improvements located thereon, and such restriction does not prohibit vehicles that may be otherwise parked as a temporary expedient (not to exceed eight (8) hours) for loading, delivery or emergency. This restriction does not restrict fire and emergency service vehicles. Stored vehicles and vehicles which are abandoned or inoperable or do not have current operating licenses are not be permitted on the Property except within enclosed garages. For purposes of this Section, the ARC may determine whether a vehicle is considered "stored". For example, a vehicle may be considered to be "stored" if it is up on blocks or covered with a tarpaulin and remains on blocks or so covered for seventy-two (72) consecutive hours without the prior approval (which may be with conditions and/or requirements) of the ARC. The ARC or the Board is authorized to adopt rules and regulations defining an "abandoned or inoperable vehicle" and setting forth additional regulations and restrictions applicable to abandoned or inoperable vehicles.

3.7.2. No activity, including maintenance, repair, rebuilding, dismantling, repainting or servicing of any kind of vehicles, trailers or boats, may be performed or conducted in the Property unless it is done within completely enclosed structure(s) which screen the sight and sound of the activity from the street and from adjoining property. Any Owner or other Person undertaking any such activities will be solely responsible for, and assumes all risks of, such activities, including adoption and utilization of any and all

necessary safety measures, precautions and ventilation. However, the foregoing restrictions do not prevent washing and polishing of any motor vehicle, boat, trailer, motor-driven cycle, or other vehicle on a Unit, together with those activities normally incident and necessary to such washing and polishing.

3.7.3. In the event the ARC determines that a vehicle is parked or stored in violation of subsections 3.7.1 or 3.7.2 hereof, then the ARC shall deliver a written notice describing said vehicle to the owner thereof (if such owner can be reasonably ascertained) or conspicuously place such notice upon the vehicle (if the owner thereof cannot be reasonably ascertained), and if the vehicle is not removed within a reasonable time thereafter, as determined by the ARC, then the ARC may have the vehicle removed at the sole expense of the owner thereof.

3.7.4 Garages shall be used for parking automobiles and other motor vehicles only and shall not be converted for living or recreational activities or for storage which prevents the parking of an automobile therein. No Owner and no invitee of an Owner shall park or permit to be parked any vehicle upon a roadway or any driveway on a Unit in such a manner as to block, impair or impede access to any other Owner's garage, or otherwise in violation of the any Rules and Regulations or posted parking regulations, which may include restrictions on overnight parking on roadways.

3.7.5 DEVELOPER, EACH BUILDER, THE METROPOLITAN DISTRICT, AND THE ARC, HEREBY DISCLAIM ANY AND ALL OBLIGATIONS REGARDING, RELATING TO OR ARISING OUT OF, THE PERFORMANCE OF ANY MAINTENANCE, SERVICING, REBUILDING, REPAIR, DISMANTLING, OR REPAINTING OF ANY TYPE OF VEHICLE, BOAT, TRAILER, MACHINE OR DEVICE OF ANY KIND, BY ANY OWNER OR OTHER PERSON.

Section 3.8. *Nuisances.*

No nuisance is permitted which is visible within or otherwise affects any portion of the Property, nor any use, activity or practice which interferes with the peaceful enjoyment or possession and proper use of any Unit, or any portion thereof, by its residents. As used herein, the term "nuisance" includes each violation of the Governing Documents. No noxious or offensive activity is permitted to be carried on upon any Unit nor shall anything be done or placed on any Unit which is or may become a nuisance or would reasonably cause embarrassment, disturbance or annoyance to others.

Section 3.9. *No Hazardous Activities; No Hazardous Materials or Chemicals.*

No activities shall be conducted on any Unit, or within Improvements constructed on any Unit, which are unsafe or hazardous to any person or property. Without limiting the generality of the foregoing, no firearms shall be discharged upon any Unit, and no open fires shall be lighted or permitted on any Unit (except in a contained barbecue unit while attended and in use for cooking purposes or within an interior fireplace or outdoor fire pit powered by natural gas, propane or something similar). Further, no hazardous materials or chemicals shall at any time be located, kept or stored in, on or at any Unit, except such as may be contained in household products normally

kept at homes for use of the residents thereof, and in such limited quantities so as not to constitute a hazard or danger to person or property.

Section 3.10. *No Annoying Lights, Sounds or Odors.*

No light shall be emitted from any Unit which is unreasonably bright or causes unreasonable glare; no sound shall be emitted from any Unit which is unreasonably loud or annoying; and no odor shall be permitted from any Unit which is noxious or offensive to others. Further, no annoying light, sound or odor is permitted which may be seen, heard or smelled from any Unit. In addition to the foregoing, nothing electromagnetic, no light and no physical emission, which might interfere with aircraft, aviation, communications or navigational aids, is permitted.

Section 3.11. *Restrictions on Trash and Materials.*

No refuse, garbage, trash, lumber, grass, shrubs or tree clippings, plant waste, metal, bulk materials, scrap or debris of any kind shall be kept, stored, or allowed to accumulate, except inside the residence existing on any Unit, nor shall such items be deposited on a street, unless placed in a suitable, tightly-covered container that is suitably located solely for the purpose of garbage pickup. In addition, no garbage or trash cans shall be placed on the street for removal prior to the night before the scheduled trash removal services to be performed, and must be removed from the street by the end of the day of such scheduled trash removal services. Further, no trash or materials shall be permitted to accumulate in such a manner as to be visible from any Unit. All equipment for the storage or disposal of such materials shall be kept in a clean and sanitary condition. No garbage or trash cans or receptacles shall be maintained in an exposed or unsightly manner. Finally, trash removal services may be subscribed to by the Metropolitan District on behalf of the residents of the Property and, if so: the governing board of the Metropolitan District may determine the scope, frequency, and all other matters, with regard to such trash removal services; and the Owners shall pay their proportionate share of such trash removal services, as determined by the governing board of the Metropolitan District.

Section 3.12. *Units to be Maintained.*

Subject to Section 3.5 hereof, each Unit (including adjacent tree lawn) shall at all times be maintained, repaired and replaced in a good, clean and slightly condition by the Owners of such Unit.

Section 3.13. *Leases.*

The term "**lease**," as used herein, includes any agreement for the leasing or rental of a Unit, or any portion thereof, and shall specifically include month-to-month rentals and subleases. Any Owner has the right to lease his Unit, or any portion thereof, as long as all leases have a lease term of at least thirty (30) days and provide that the terms of the lease and lessee's occupancy of the leased premises are subject in all respects to the Governing Documents; and that any failure by the lessee to comply with any of the aforesaid documents, in any respect, constitutes a default under the lease.

Section 3.14. *Landscaping.*

Within the time frames as hereinafter provided, subject to applicable “force majeure” delays as determined by the ARC, in its reasonable discretion, the Owner of each Unit (other than Developer or a Builder) shall install landscaping on all portions of the Unit which is not covered by a building or Improvement, as well as on the tree lawn areas adjacent to such Unit in accordance with the Governing Documents and the requirements of the applicable governmental entity having jurisdiction. The Owner of each Unit (other than Developer or a Builder) shall install landscaping on such Unit, and on adjacent tree lawn areas, within one hundred (180) days after the later to occur of acquisition of such Unit by such Owner, if said acquisition occurs between April 1 and July 31; if such acquisition does not occur between such dates, then such Owner shall install such landscaping by the following July 31. Landscaping plans must be submitted to the ARC for review and approval (which may be with conditions and/or requirements), and such approval must be obtained prior to the installation of landscaping, in accordance with Article 2 of these Covenants. Each Owner shall maintain all landscaping on such Owner's Unit, and on adjacent tree lawn areas, in a neat and attractive condition, including periodic and horticulturally correct pruning, removal of weeds and debris, and replacement of landscaping.

Section 3.15. *Grade and Drainage; Irrigation Recommendations; Drainage Easement; Maintenance of Surface Drainage Improvements and Underdrains.*

3.15.1. Each Owner shall maintain the grading upon his Unit, and grading around the building foundation, at the slope and pitch fixed by the final grading thereof, so as to maintain the established drainage. Each Owner agrees that he will not in any way interfere with the established drainage pattern over his Unit. In the event that it is necessary or desirable to change the established drainage over any Unit, then the Owner thereof shall submit a plan to the ARC for review and approval (which may be with conditions and/or requirements), in accordance with Article 2 of these Covenants, and any such change shall also be made in accordance with all laws, regulations, requirements and resolutions of all applicable governmental entities. For purposes of this Section, "**established drainage**" is defined as the drainage which exists at the time final grading of a Unit by the Developer, or by a Builder, is completed.

3.15.2. The Owner of a Unit should not plant flower beds (especially annuals), vegetable gardens and other landscaping which requires regular watering, within five (5) feet of the foundation of the dwelling unit or any slab on the Unit. If evergreen shrubbery is located within five (5) feet of any foundation wall or slab, then the Owner of the Unit should water such shrubbery by "**controlled hand-watering**," and should avoid excessive watering. Further, piping and heads for sprinkler systems should not be installed within five (5) feet of foundation walls and slabs.

3.15.3. Developer hereby reserves to itself, and grants to the Metropolitan District, easements for drainage and drainage facilities across the five (5) rear, five (5) front, and three (3) side feet of each Unit; provided, however, that if a residence is located upon any of the areas described in this sentence, then such easement is reduced in width to the width of the distance from the nearest lot line to the exterior wall of the residence on such

Unit that is nearest to such lot line. Except for residences as provided in the preceding sentence, no Improvements shall be placed or permitted to remain on any Unit nor shall any change in grading be permitted to exist which may change the direction of flow or obstruct or retard the flow of water or other moisture through channels or swales within such rear, front and side yard drainage easements. Developer reserves to itself and to the Metropolitan District the right to enter in and upon each such rear, front and side yard drainage easements, at any time, to construct, repair, replace or change drainage pipes, structures or drainage ways, or to perform such grading, drainage or corrective work as Developer or the Metropolitan District may determine.

Section 3.16. Sidewalks.

Sidewalks may be constructed throughout the Community Area along and adjacent to or connecting the Units, common area tracts and streets within the Community Area for the purpose of access in and through the Community Area. To the extent sidewalks are constructed upon any Units along and adjacent to or connecting an adjacent common area tract or the streets, there is hereby established a right of access, ingress and egress in and through the Community Area over and across that portion of the Unit adjacent to the common area tract or street which is occupied and used for the sidewalk as such sidewalk is initially constructed by the Developer, together with the right to inspect, maintain, repair, and replace such sidewalks.

ARTICLE 4. ALTERNATIVE DISPUTE RESOLUTION

Section 4.1. Intent of Article; Applicability of Article; and Applicability of Statutes of Limitation.

4.1.1. Each Bound Party (as defined below) agrees to encourage the amicable resolution of disputes, without the emotional and financial costs of litigation. Accordingly, each Bound Party covenants and agrees to submit any Claims (as defined below) to the procedures set forth in this Article 4.

4.1.2. By acceptance of a deed for a Unit, each Owner agrees to abide by the terms of this Article.

4.1.3. Any applicable statute of limitation applies to the alternative dispute resolution procedures set forth in this Article.

Section 4.2. Definitions Applicable to this Article.

For purposes of this Article only, the following terms have the meanings set forth in this Section:

4.2.1. "**Bound Party**" means each of the following: the Developer, each Builder, each contractor, subcontractor, supplier, and laborer, the Metropolitan District, to the extent permitted by law, and their respective directors, officers, members, partners, employees and agents; the ARC and the committees and representatives appointed by the ARC, and each of their respective members and agents; all Persons subject to these

Covenants; and any Person who is not otherwise subject to these Covenants, but who agrees to submit to this Article. Notwithstanding the foregoing, “**Bound Party**” does not include any of the Persons identified in this Section, if such Persons have jointly entered into a separate written agreement providing for dispute resolution applicable to the Claim; in such circumstance, the dispute resolution mechanism set forth in such separate written agreement between such Persons will apply with respect to such Claim, unless such Persons mutually agree to submit such Claim to the provisions of this Article.

4.2.2. “**Claimant**” means any Bound Party having a Claim.

4.2.3. “**Claim**” means, except as exempted by the terms of this Article, any claim, grievance or dispute between one Bound Party and another, regardless of how the same may have arisen or on what it might be based, including those arising out of or related to (i) the interpretation, application or enforcement of any of the Governing Documents or the rights, obligations or duties of any Bound Party under any of the Governing Documents; and/or (ii) any statements, representations, promises, warranties, or other communications made by or on behalf of any Bound Party.

4.2.4. “**JAG**” means the Judicial Arbitrator Group or any other Person agreed to by the Claimant and Respondent in writing for the purpose of performing the functions of the Judicial Arbitrator Group under these Covenants.

4.2.5. “**Notice**” means the written notification given by a Claimant to a Respondent which complies with Section 4.5.1 of these Covenants.

4.2.6. “**Party**” means the Claimant and the Respondent individually; “**Parties**” means the Claimant and the Respondent collectively.

4.2.7. “**Respondent**” means any Bound Party against whom a Claimant asserts a Claim.

4.2.8. “**Termination of Mediation**” means a period of time expiring thirty (30) days after submission of the matter to mediation (or within such other time as determined by the mediator or otherwise agreed to by the Parties) and upon the expiration of which the Parties have not settled the applicable Claim.

4.2.9. “**Termination of Negotiations**” means a period of time expiring thirty (30) days after the date of the Notice (or such other period of time as may be agreed upon by the Parties) and upon the expiration of which the Parties have not resolved a Claim.

Section 4.3. *Commencement or Pursuit of Claim Against Bound Party.*

4.3.1 A Bound Party may not commence or pursue a Claim against any other Bound Party except in compliance with this Article.

4.3.2 Prior to any Bound Party commencing any proceeding against another Bound Party, the Respondent has the right to be heard by the Claimant, and to

access, inspect, correct the condition of, or redesign, any portion of any Improvement as to which a defect is alleged or otherwise correct the alleged dispute.

Section 4.4. *Claims.*

Unless specifically exempted below, all Claims between any of the Bound Parties are subject to the provisions of Sections 4.5 and 4.6 hereof. Notwithstanding the foregoing, unless all Parties thereto otherwise agree, the following shall not be Claims and shall not be subject to the provisions of Sections 4.5 and 4.6 hereof:

4.4.1 any action by the ARC, the governing board of the Metropolitan District, or the Developer, to enforce these Covenants, or any provision(s) of the Guidelines or the Rules and Regulations (as hereinafter defined), including obtaining a temporary restraining order or injunction (or equivalent emergency equitable relief), and such other ancillary relief as a court may deem necessary;

4.4.2 any suit between or among Owners, which does not include Developer, Builder, the Metropolitan District, the governing board of the Metropolitan District, or the ARC as a Party, if such suit asserts a Claim which would constitute a cause of action independent of the Governing Documents; and

4.4.3 any suit in which any indispensable party is not a Bound Party.

Section 4.5. *Mandatory Procedures.*

4.5.1 *Notice.* Prior to proceeding with any Claim against a Respondent, each Claimant shall give a Notice to each Respondent, which Notice must state plainly and concisely:

- (a) the nature of the Claim, including all Persons involved and Respondent's role in the Claim;
- (b) the legal basis of the Claim (i.e., the specific authority out of which the Claim arises);
- (c) the proposed remedy; and
- (d) the fact that Claimant will give the Respondent an opportunity to inspect all property and Improvements potentially involved with the Claim, and that Claimant will meet with Respondent not sooner than thirty (30) days after such inspection to discuss in good faith ways to resolve the Claim.

4.5.2 *Negotiation and Mediation.*

- (a) The Parties shall make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good faith negotiation. If requested

in the Notice, the governing board of the Metropolitan District may appoint a representative to assist the Parties in negotiation.

(b) Upon a Termination of Negotiations, Claimant shall have thirty (30) days to submit the Claim to mediation under the auspices of JAG (or such other reputable arbitration service as acceptable to the parties) in accordance with the rules of JAG (or the rules of such other reputable arbitration service as acceptable to the parties) in effect on the date of the Notice that is provided for in 4.5.1 of these Covenants.

(c) If Claimant does not submit the Claim to mediation within such time, or does not appear for the mediation, Claimant shall be deemed to have waived the Claim, and Respondent shall be released and discharged from any and all liability to Claimant on account of such Claim; provided, nothing herein shall release or discharge Respondent from any liability to any Person other than the Claimant and, further, if Claimant does submit the Claim to mediation and thereafter does not appear, then Claimant shall be liable for the costs of such mediation, if any.

(d) Any settlement of the Claim through mediation shall be documented in writing by the mediator and signed by the Parties. If a Termination of Mediation occurs, the mediator shall issue a notice of Termination of Mediation. The Termination of Mediation notice must state that the Parties are at an impasse and the date that mediation was terminated.

(e) Except as expressly provided in subsection (c) above, each Party shall bear its own costs of the mediation, including attorneys' fees, and each Party shall share equally all charges rendered by the mediator.

(f) If the Parties agree to a resolution of any Claim through negotiation or mediation in accordance with Section 4.5.2 and any Party thereafter fails to abide by the terms of such agreement, then any other Party may file suit or initiate arbitration proceedings to enforce such agreement without the need to again comply with the procedures set forth in Section 4.5 hereof. In such event, the Party taking action to enforce the agreement is entitled to recover from the non-complying Party (or if more than one non-complying Party, from all such Parties pro rata) all costs incurred in enforcing such agreement, including attorneys' fees and court costs.

Section 4.6. *Final, Binding Arbitration.*

4.6.1 Upon termination of mediation, if Claimant desires to pursue the Claim, Claimant shall thereafter be entitled to initiate final, binding arbitration of the Claim under the auspices of JAG, in accordance with the then-current rules of JAG in effect as of the date of the Notice provided in accordance in Section 4.5.1 of these Covenants (or such other reputable arbitration service and its rules as acceptable to the parties). Any judgment upon the award rendered by the arbitrator may be entered in and enforced by any court having jurisdiction over such Claim. Unless otherwise mutually agreed to by the Parties,

there will be one arbitrator who must have expertise in the area(s) of dispute, which may include legal expertise if legal issues are involved.

4.6.2 Each Party shall bear its own costs and expenses, and an equal share of the arbitrator's and administrative fees of arbitration. Notwithstanding the foregoing, if a Party unsuccessfully contests the validity or scope of arbitration in a court of law, reasonable attorneys' fees and expenses incurred in defending such contests, including those incurred in trial and on appeal, shall be awarded to the non-contesting Party. All decisions respecting the arbitrability of any Claim shall be decided by the arbitrator.

4.6.3 The award of the arbitrator shall be accompanied by detailed written findings of fact and conclusions of law. Except as may be required by law or for confirmation of an award, neither a Party nor an arbitrator may disclose the existence, content, or results of any arbitration without the prior written consent of all Parties.

ARTICLE 5. GENERAL PROVISIONS

Section 5.1. Rules and Regulations.

Any rules and regulations, if any, concerning and governing the Property, may be promulgated, adopted, enacted, modified, amended, repealed, and re-enacted by the governing board of the Metropolitan District (“**Rules and Regulations**”) and such actions shall not be construed as an amendment to these Covenants requiring processing under Section 5.6, hereof. The Rules and Regulations, if any, may state procedural requirements, interpretations, clarifications and applications of any provision(s) of these Covenants or the Guidelines and law, and may include blanket requirements, blanket interpretations, and blanket applications. The governing board of the Metropolitan District has the authority to adopt or vary one or more Rules and Regulations that are different for different types of Units, if any. Any Rules and Regulations, if any, that are adopted must be in accordance with, and must not be inconsistent with or contrary to, these Covenants, but may impose additional restrictions not specifically stated herein. In addition, if the Metropolitan District adopts any Rules and Regulations, or any amendments thereto, the Metropolitan District shall promptly give notice thereof to the Developer, the ARC, and all other Owners.

Section 5.2. Enforcement.

5.2.1 Enforcement of the covenants, conditions, restrictions, easements, reservations, rights-of-way, liens, charges and other provisions contained in these Covenants, as amended, may be by any proceeding at law or in equity against any Person(s) violating or attempting to violate any such provision, and possible remedies include all of those available at law or in equity, but Claims subject to Article 4 will be subject to the alternative dispute resolution procedures set forth in Article 4. The Developer, the Metropolitan District, the ARC and any aggrieved Owner, has the right, but not the duty, to institute, maintain and prosecute any such proceedings. No remedy is exclusive of other remedies that may be available. Except as otherwise provided in Article 4 of these Covenants, in any action instituted or maintained under these Covenants or any other such documents, the prevailing party shall be awarded its costs and attorney fees incurred in

asserting or defending the claim, as well as any and all other sums; except that, any Person who brings an action against the Developer, any Builder, the Metropolitan District, or the ARC, regarding enforcement, or non-enforcement, of any provision(s) of the Governing Documents, shall not be awarded their costs or any attorney fees. Failure by the Developer, the Metropolitan District, the ARC or any Owner, to enforce any covenant, restriction or other provision contained in these Covenants, shall in no event give rise to any liability, nor shall such non-enforcement be deemed a waiver of the right to thereafter enforce any covenant, restriction or other provision of these Covenants, regardless of the number of violations or breaches that may occur.

5.2.2 The foregoing includes the right of the Metropolitan District, to send demand letters and notices, to charge interest and/or late charges, to levy and collect fines, to impose liens (as provided in C.R.S. Section 32-1-1001(j)(1), as amended), to negotiate, settle and/or take any other actions, with respect to any violation(s), or alleged violation(s), of any of the Governing Documents.

Section 5.3. *Severability.*

All provisions of these Covenants are severable. Invalidation of any of the provisions by judgment, court order or otherwise, shall in no way affect or limit any other provisions, which shall remain in full force and effect.

Section 5.4. *Rights and Easements of Developer and Builders.*

Notwithstanding anything to the contrary contained in the Governing Documents, it is expressly permissible and proper for Developer and each Builder, and their respective employees, agents, and contractors, to perform all activities, and maintain Improvements, tools, equipment, and facilities, on the portion of the Property owned by them and also on public property, incidental to development, construction, use, rental, sale, occupancy, and/or advertising. The foregoing includes locating, maintaining and relocating management offices, construction offices, signs, model units and sales offices, in such numbers, of such sizes, and at such locations on the portion of the Property owned by them and also on public property, as determined by the Developer or applicable Builder. In addition, nothing contained in these Covenants limits the rights of Developer, or require the Developer, to obtain approvals:

5.4.1. to excavate, cut, fill or grade any property (with the consent of the Owner thereof), or to construct, alter, demolish or replace any Improvements;

5.4.2. to use any Improvements on any property (with the consent of the Owner thereof) as a construction, management, model home or sales or leasing office, in connection with the development, construction or sale of any property; and/or

5.4.3 to seek or obtain any approvals under these Covenants or any other Governing Documents for any such activity.

Section 5.5. *Conflict of Provisions.*

In the case of any conflict between any of the Governing Documents, these Covenants control.

Section 5.6. *Duration, Revocation and Amendment.*

5.6.1 Each and every provision of these Covenants run with and binds the Property perpetually from the date of recording of these Covenants. Subject to subsection 5.6.2 of these Covenants, these Covenants may be amended, supplemented and/or terminated, by the affirmative vote or agreement of the Owners of sixty-seven percent (67%) of the Units, but the Metropolitan District shall not be required to comply with or enforce any Owner-adopted amendments, supplements or termination, until such time as the governing board of the Metropolitan District receives a recorded copy of such amendment, supplement and/or termination.

5.6.2 Until all of the Units have been conveyed to the first Owners thereof other than the Developer or a Builder, no amendment, supplement or termination of these Covenants shall be effective, without the prior written approval of the Developer, which may be with conditions and/or requirements. This subsection 5.6.2 will remain in effect until conveyance of all the Units to the first Owners thereof, other than the Developer or any Builder.

5.6.3 These Covenants may be amended, in whole or in part, by the Developer without the consent or approval of any other Owner, the Metropolitan District, or any other Person, in order to comply with the requirements, standards, or guidelines of any recognized secondary mortgage markets, including the department of housing and urban development, the federal housing administration, the veterans administration, the federal home loan mortgage corporation, the government national mortgage association, and the federal national mortgage association. This subsection 5.6.3 will remain in effect until conveyance of all the Units to the first Owners thereof, other than the Developer or any Builder.

5.6.4 These Covenants may be amended, in whole or in part, by the Developer without the consent or approval of any other Owner, any Builder, or any other Person, in order to correct any clerical, typographical, technical or other errors in these Covenants and/or to clarify any provision(s) of these Covenants, however all such proposed amendments shall be subject to the review and approval of the Metropolitan District. This subsection 5.6.4 will remain in effect until conveyance of all the Units to the first Owners thereof, other than the Developer or any Builder.

Section 5.7. *Minor Violations of Setback Restrictions.*

If upon the erection of any structure, it is disclosed by survey that a minor violation or infringement of setback lines has occurred, the Owners of each Unit immediately adjoining the structure which is in violation of the setback shall be deemed to have waived such violation or infringement and such waiver shall be binding upon all other Owners. However, nothing contained

in this Section prevents the prosecution of a suit for any other violation of these Covenants or the Guidelines, if any. A "**minor violation**," for the purpose of this Section, is a violation of not more than two (2) feet beyond the required setback lines or Unit lines. This provision applies only to the original structures and is not applicable to any alterations or repairs to, or replacements of, any of such structures.

Section 5.8. *Subdivision or Replatting of Units.*

The Developer reserves the right to subdivide or replat any Unit(s) owned by the Developer. No Builder or Owner, other than Developer shall have any right to subdivide, re-subdivide or replat all or any portion of the Property. Each such subdivision or replatting by Developer may change the number of Units in the Property. The foregoing reservation includes the right to move any lot line(s) on Unit(s) for the purpose of accommodating Improvements which are, or may be constructed. This Section 5.8 will remain in effect until conveyance of all the Units to the first Owners thereof, other than the Developer or any Builder.

Section 5.9. *Annexation.*

The Developer reserves the right to and may annex and add to the Property additional real estate (including Improvements), including any real estate (including Improvements) which may previously have been withdrawn from the Property, without the consent of the Owners or the ARC. Each such annexation, if any, shall be accomplished by recording, in the office of the Clerk and Recorder of the County, of an annexation document that expressly states that the real estate (including Improvements) described therein is annexed and made subject to these Covenants and all terms and provisions hereof. However, any such annexation may include provisions which, as to the real estate (including Improvements) described therein, adds to or changes the rights, responsibilities and other requirements of these Covenants. Any such additional or changed provisions may be amended, supplemented, and/or terminated, with the consent of the Owners of 67% of the Units to which those provisions apply. The first three (3) sentences of this Section 5.9, will remain in effect until conveyance of all the Units to the first Owners thereof, other than the Developer or any Builder.

Section 5.10. *Withdrawal.*

The Developer reserves the right to withdraw the Property, or any portion thereof, including one or more Units, from these Covenants, so long as the Developer owns the portion of the Property to be withdrawn. Each withdrawal, if any, may be effected by the Developer recording a withdrawal document in the office of the Clerk and Recorder of the County. A withdrawal as contained in this paragraph constitutes a divestiture, withdrawal, and de-annexation of the withdrawn real estate (including Improvements) from these Covenants so that, from and after the date of recording a withdrawal document, the real estate (including Improvements) so withdrawn is not a part of the "Property". This Section 5.10 will remain in effect until conveyance of all the Units to the first Owners thereof, other than the Developer or any Builder.

Section 5.11. *Notices.*

Any notice permitted or required in these Covenants is effective upon the earlier to occur of (i) personal delivery upon the Person to whom such notice is to be given; or (ii) two (2) days after deposit in the United States mail, postage prepaid, addressed to the Owner at the address for such Owner's Unit.

Section 5.12. *Limitation on Liability.*

The Developer, any Builder, the Metropolitan District, the ARC, and their respective directors, officers, shareholders, members, partners, agents and employees, are not liable to any Person for any action or for any failure to act arising out of any of the Governing Documents, unless the action or failure to act was not in good faith and was done or withheld with malice. Further, the Metropolitan District does not waive, and no provision of these Covenants constitutes a waiver of, the immunities and limitations to which the Metropolitan District is entitled as a matter of law, including the Colorado Governmental Immunity Act, §24-10-101, et seq. C.R.S., as amended. The release and waiver set forth in Section 5.16 (Waiver) applies to this Section.

Section 5.13. *No Representations, Guaranties or Warranties.*

Neither Developer, any Builder, the Metropolitan District, the ARC, nor their respective officers, directors, shareholders, members, partners, agents or employees, have given or made any representations, guaranties or warranties of any kind, express or implied in connection with any portion of the Property, or any Improvement, its physical condition, structural integrity, freedom from defects, zoning, compliance with applicable laws, fitness for intended use, or view, or in connection with the subdivision, sale, operation, maintenance, cost of maintenance, taxes or regulation thereof, unless and except as specifically set forth in writing. The release and waiver set forth in Section 5.16 (Waiver) applies to this Section.

Section 5.14. *Disclaimer Regarding Safety.*

DEVELOPER, THE BUILDERS, THE METROPOLITAN DISTRICT, THE ARC, AND THEIR RESPECTIVE OFFICERS, DIRECTORS, SHAREHOLDERS, MEMBERS, PARTNERS, AGENTS AND EMPLOYEES, HEREBY DISCLAIM ANY OBLIGATION REGARDING THE SECURITY OF ANY PERSONS OR PROPERTY WITHIN THE PROPERTY. BY ACCEPTING A DEED TO A UNIT WITHIN THE PROPERTY, EACH OWNER ACKNOWLEDGES THAT DEVELOPER, THE BUILDERS, THE METROPOLITAN DISTRICT, THE ARC, AND THEIR RESPECTIVE OFFICERS, DIRECTORS, SHAREHOLDERS, MEMBERS, PARTNERS, AGENTS AND EMPLOYEES, ARE ONLY OBLIGATED TO DO THOSE ACTS SPECIFICALLY ENUMERATED IN THE GOVERNING DOCUMENTS, IF ANY, AND ARE NOT OBLIGATED TO DO ANY OTHER ACTS WITH RESPECT TO THE SAFETY OR PROTECTION OF PERSONS OR PROPERTY WITHIN THE PROPERTY. THE RELEASE AND WAIVER SET FORTH IN SECTION 5.16 (WAIVER) APPLIES TO THIS SECTION.

Section 5.15. *Development Within and Surrounding the Property.*

Each Owner acknowledges that development within and surrounding the Property may continue for an indefinite period, and that plans for the density, type and location of improvements, developments or land uses may change over time. Such development may entail changes to or alterations in the access to the Property, views of or from the Property or the Units, surrounding land uses, open space or facilities, traffic volumes or patterns, privacy or other aspects or amenities. Development also may entail noise, odors, unsightliness, dust and other inconveniences or disruptions. By accepting a deed to a Unit, each Owner accepts title to such Unit subject to the foregoing, and waives and releases any claim against the Developer, any Builders, the Metropolitan District, the ARC, and their respective officers, directors, members, partners, agents and employees, heirs, personal representatives, successors and assigns, arising out of or associated with any of the foregoing. The release and waiver set forth in Section 5.16 (Waiver) applies to this Section.

Section 5.16. *Waiver.*

By acceptance of a deed to a Unit, each Owner hereby releases, waives, and discharges the Developer, each Builder, the Metropolitan District, the ARC, and their respective officers, directors, members, partners, agents and employees, heirs, personal representatives, successors and assigns, from all losses, claims, liabilities, costs, expenses, and damages, arising directly or indirectly from any hazards, disclosures or risks set forth in these Covenants, including, but not limited to, those contained in Sections 5.12, 5.13, 5.14 and 5.15.

Section 5.17. *Headings.*

The Article, Section and subsection headings in these Covenants are inserted for convenience of reference only, do not constitute a part of these Covenants, and in no way define, describe or limit the scope or intent of these Covenants or any of the provisions hereof.

Section 5.18. *Gender.*

Unless the context requires a contrary construction, the singular includes the plural and the plural the singular and the use of any gender is applicable to all genders.

Section 5.19. *Action.*

Any action that has been or may be taken by the Developer, any Builder, the Metropolitan District, the ARC, or any other Person, may be taken "**at any time, from time to time**". Each provision that authorizes, directs or permits action shall be deemed to include such language.

Section 5.20. *Sole Discretion.*

All actions which are to be taken by, or on behalf of, the Developer, any Builder, the Metropolitan District, the governing body of the Metropolitan District, the ARC, or any other Person, will be considered to have been taken "**in the sole discretion**" of such Person.

Section 5.21. Use of "Include," "Includes," and "Including".

All uses, in these Covenants, of the words "**include**," "**includes**," and "**including**," will be construed to include the words "**without limitation**" immediately thereafter.

Section 5.22. Runs with the Land; Binding Upon Successors.

The benefits, burdens, and all other provisions contained in these Covenants are covenants running with and binding upon the Property and all Improvements which are now or hereafter located on the Property. The benefits, burdens, and all other provisions contained in these Covenants are binding upon, and inure to the benefit of the Developer, the Builders and all Owners, and upon and to their respective heirs, personal representatives, successors and assigns; but, no Person becomes a "**Developer**" or a "**Builder**" under these Covenants, except by written assignment or designation, as more fully provided in Sections 1.4 or 1.2 of these Covenants, respectively.
